Board of Education Honors Additional Schools & Divisions ***Recognition Coincides with 2009 Governor's Award for Educational Excellence***

In addition to the 162 Virginia public schools that earned the 2009 Governor's Award for Educational Excellence, the Board of Education also recognized schools and school divisions through the Virginia Index of Performance (VIP) incentive program. VIP was created by the board in 2007 to advance Governor Timothy M. Kaine's "competence to excellence" agenda to encourage advanced learning and achievement in the commonwealth's public schools.

2009 BOE Excellence Awards

Twenty-four school divisions and 544 schools earned the Board of Education Excellence Award, the second-tier honor in the VIP program. These schools and divisions also have met all state and federal accountability benchmarks for at least two consecutive years and have made significant progress toward goals for increased student achievement and expanded educational opportunities set by Governor Kaine and the board. Those receiving BOE Excellence Awards are as follows:
